

Hong Kong Baptist Church English Worship

Following the relaxed rules for social distancing we are thankful to open the doors of House of Grace for meetings in person!

In order to use 85% of the capacity in Chapel we need to follow the Vaccine Pass regulations (https://www.coronavirus.gov.hk/pdf/vp_t1_ENG.pdf). When entering House of Grace, please have your Leave Home Safe app and your Vaccination Record ready. We will also continue to use the personal QR code from church.

In order to act responsibly under the current circumstances we ask your attention for the following:

- If you have any symptoms of the flu, are currently waiting for the test result of a COVID-19 test, have a weak health, have travelled abroad in the last 7 days or do not feel comfortable to come to the worship service, please remain at home. Our Service will still be on live-stream!
- Please inform church if you test positive of COVID in the week after you have been to church (E-mail: English.hkbc@gmail.com)
- Please wear a mask at all time being inside the church building
- Remain at a distance of at least 1 metre from other persons
- Please come in time, preferable 10-15 minutes earlier, because we need to take some extra measures: verify the Vaccine Pass, take your body temperature, register with your personal QR code. If you do not have this yet, please let our ushers know.
- Bring your own Bible, we will not provide any for you to use

We will have a maximum of 85 seats in our sanctuary.

Besides these points, we trust you to remain vigilant for your own personal hygiene.
